

📍 Kokapet, Hyderabad.

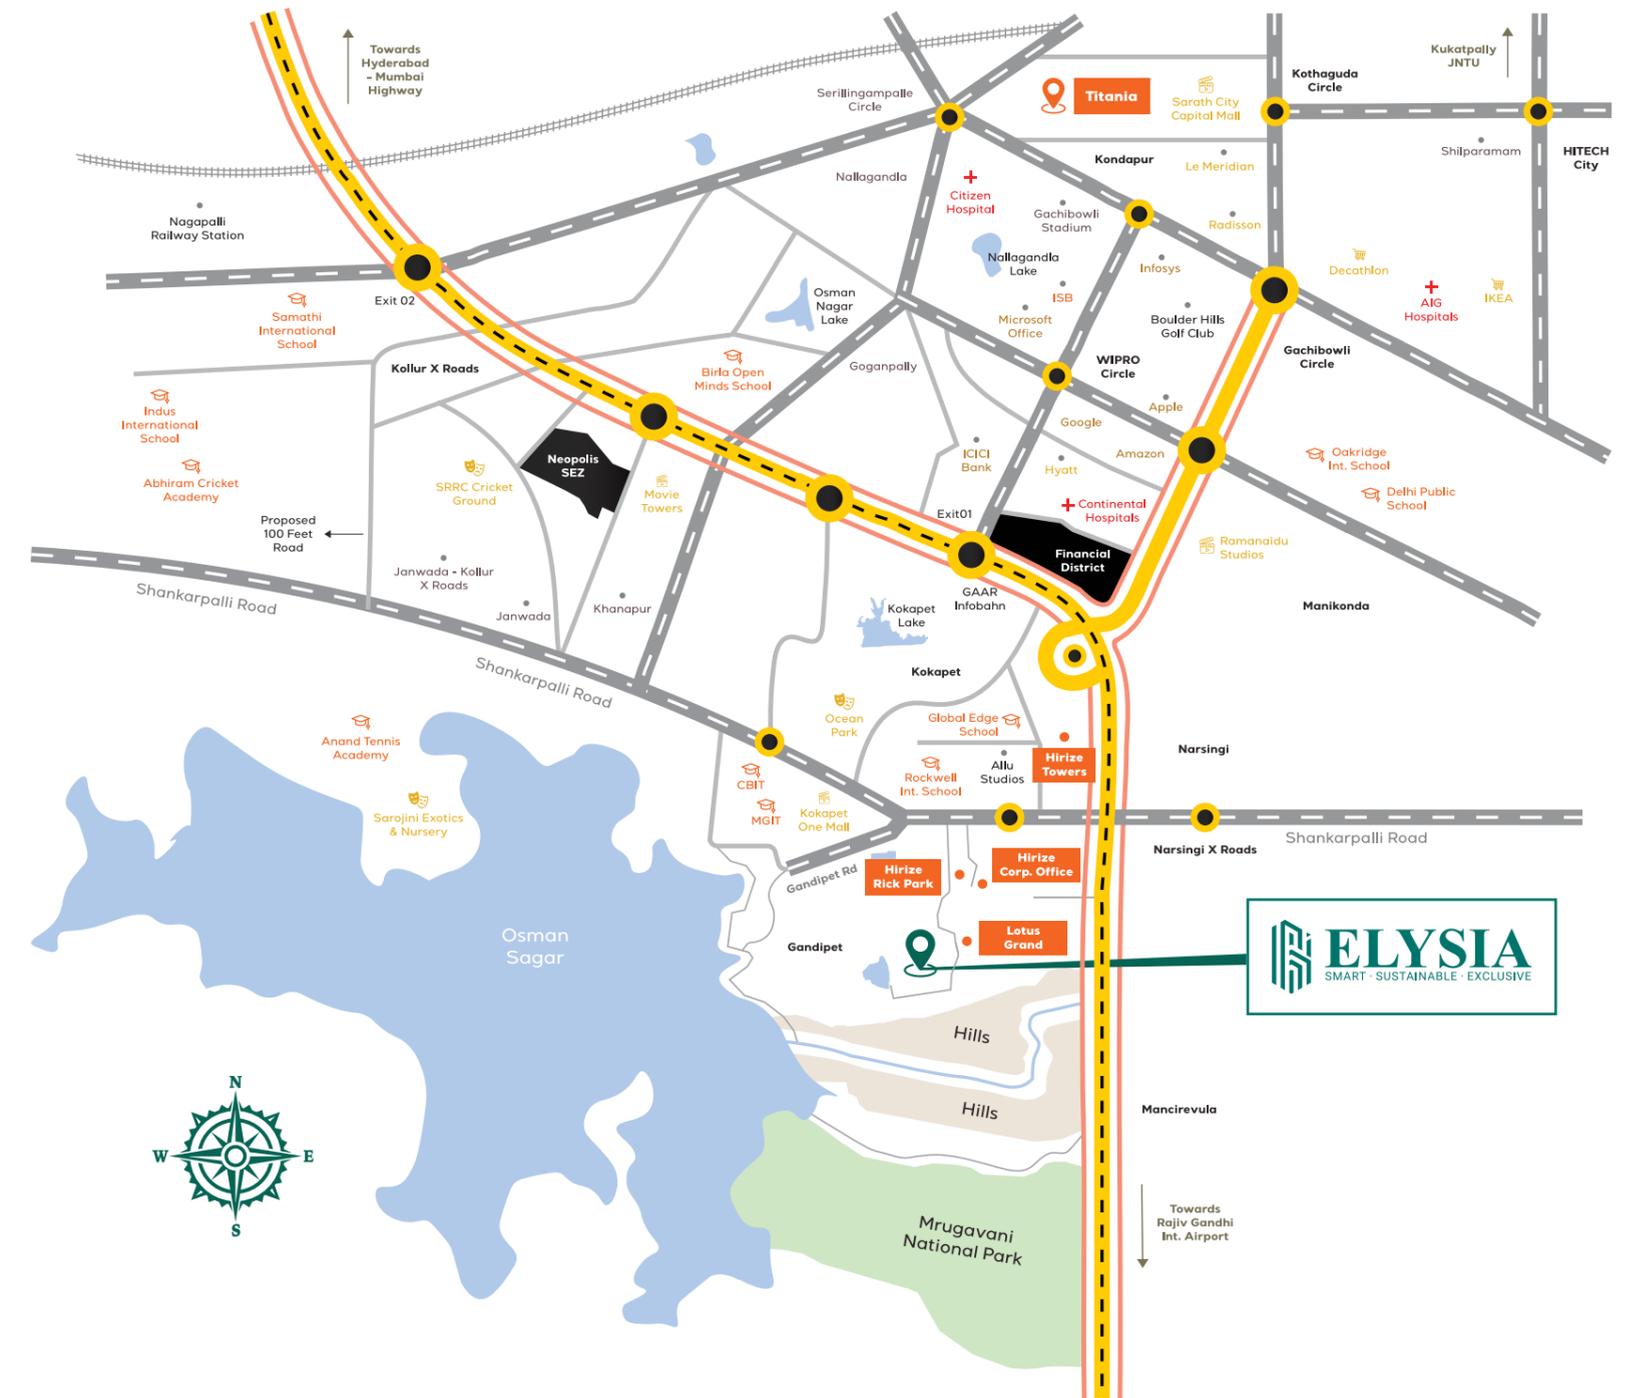

RERA : P0240005842

Exceptional Living @ Kokapet

Kokapet is one of the most premium locations, well-connected to both work and leisure. It is a well-developed locality with proper infrastructural facilities like transport, water, and power supply. There are renowned educational institutions, supermarkets, super specialty hospitals, and recreational zones in the vicinity which makes for a quality life.

Hirize Developers is proud to present its latest project **Hirize Elysia** in the prime location of Kokapet. Together, Kokapet, Neopolis (SEZ), and the Financial District form the GOLDEN TRIANGLE of West Hyderabad – with close proximity to ORR, Gandipet, and Gachibowli.

Investing in a property in Kokapet is bound to see a high appreciation in the future, given its booming development and amazing connectivity.

Building for tomorrow

Hirize Elysia is one-of-its-kind future-ready project. This unique gated community has the best of both worlds, given its connectivity and greenery. Yes, built for tomorrow!

XL balconies for an enhanced lifestyle!

It's well understood at Hirize Elysia that space is synonymous with luxury. Hirize Elysia's XL balconies make for a classy lifestyle or call it extra-large living. Offering a breathtaking view of the surrounding hills and the lake, it's the perfect start to the day as you sip your morning tea while watching the beautiful sunrise. It's a place to spend quality time.

The comfort of a Low Density Project!

In today's world, space translates into luxury. Complimenting the vast openness of the surroundings, there is plenty of free open space within the gated residency itself. Yes, Hirize Elysia is a Low Density Project allowing for plenty of space in shared areas. To begin with, there are 2 clubhouses so that one never feels crowded. Again, the huge area reserved for the theme park with exclusive corners for different peer groups and age groups, and the large gym create a lot of breathing space for the residents while ensuring privacy.
